

## Jim Weaver

### Specialist Leader, Deloitte

Jim has 25+ years of experience delivering IT projects programs for Utilities, Public Sector, and Higher Education organizations. He is known for his ability to articulate value-led service opportunities to both business and IT executives. He specializes in leveraging technology, data and business process improvements to capture business value through the use of analytics-based applications.

He has worked at many of the largest IOUs in North America including Pacific Gas Electric, Sempra, SDGE, Duke, FPL, Hydro One, Consumers Energy, National Grid, and ONE Gas.
