BOOTH NO: _____

Date communications cabling: Freeman is the **exclusive installer** of Data communications cabling. Freeman provides cabling to booths, within booth (excluding undercarpet installation) and from Booth-to-Booth. Fibre Optic, twisted pair (Cat 5E and 6), and all other data related cables fall under Freeman's area of expertise. Please contact us for further details and pricing.

IMPORTANT!! Prior to installation of service, a complete floor plan is required. Please utilize this grid should you not have your own floor plan to send us.

Please mark the floor plan using the following designations:

X = Internet Connection

Orientation = The Booth or Aisle #'s surrounding your booth. A minimum of two surrounding Booth or Aisle # is required (three or more would be more helpful) for Freeman to accurately install your service.

Size = Booth Dimensions (example 10 x 10) _____
